

# Tibberton Parish Council

Planning issues, road maintenance, telephone kiosk, a vehicle activated 30mph sign and a response to the local plan to 'dump' a large town at Churcham were discussed at the Parish Council ZOOM meeting held on the 11<sup>th</sup> November 2020.

Gloucestershire Highways plans to resurface and add kerbs to the road from the Forge along Buttermilk Lane are delayed until January 2021. Villagers should be aware there could be road closure during the works.

Council agreed to support a discussion group to seek opinions on the Future of Tibberton for the next 20 years using NextDoor and the website.

Further details of Parish Council meetings, documents, notices and links to planning applications are available on the website.
