c. Hedges through village – The clerk gave feedback on responses to the letter to landowners on road safety issues of overgrown hedges along Tibberton Lane

1. Summarised responses from three property owners: They were surprised they were contacted by letter. They were polite and said they do maintain their hedges usually in the August/September period. They were reassured; this was an attempt, using a polite letter, to raise the awareness of road safety issues along the lanes of Tibberton, following discussions at Parish Council meetings.
2. Council discussed and agreed to continue to raise road safety concerns of hedges encroaching into roads and footways through personal contact with property owners.
3. Clerk to request community workers to clear the excess straw deposited by passing farm vehicles as a prevention measure to avoid blockages in road drainage.

d. Bulbs and tree planting 'in memory of' on Orchard Rise bank – Council agreed to support the TDHS plan of planting of native daffodil bulbs in batches 60cm down from the hedge.

- e. **Nuisance caused by Garden Bonfires** – Following complaints by villagers, council agreed to inform and respond based on the circulated leaflet on Garden Bonfires by Environment Protection UK. In brief, there are no byelaws preventing garden bonfires but it is an offence to cause a nuisance from "smoke, fumes or gases prejudicial to health". The recommendation, in the first instance, if bothered by smoke, "approach your neighbour and explain the problem".
Leaflet circulated and published link on the website.
